Description: An ancient blaster rifle was a type of blaster rifle used by several members of Hondo Ohnaka's pirate gang. Some of Hondo's men attached blades to the ends of these rifles like bayonets. HELIOS-3D, HELIOS-3E, and another IG-86 sentinel droid, all members of Cad Bane's posse, were known to use these type of rifles. The bounty hunters Cato Parasitti and Twazzi were also seen carrying these weapons.
