Races D6 / Lanai

Lanai
Lanais were an avian sentient species who lived on temple island on the ocean planet of Ahch-To for thousands of years. The females of the species took on the role of Caretakers and attended to the ancient structures on the sacred island—which was the site of the first Jedi Temple, where Jedi Master Luke Skywalker came to live as a hermit after his Jedi students were killed by his nephew Kylo Ren—while the males were known as the Visitors.

Biology and Appearance

Native to the aquatic planet Ahch-To, Lanais were an avian sentient species who dwelled on temple island which held the first Jedi Temple. They were distinguished by their gray skin and bird-like skinny feet.
