Bite attack (Str+2D damage)

Large (Speeder Scale, +2D to deal and resist damage, -2D to hit, +2D to be hit).

Move: 12 (Space: 4;Atmospheric: 200kmh)

Description: Sludgegulers were flying droids that came in a variety of designs. The droids were popular with pirates due to their sinister-looking appearance and ability to commandeer starships by attaching themselves to the outside and eating through the hull. The Great Heep used a number of sludgegulper designs during the capture of the Baobab Merchant Fleet ship Argo Moon.
