Description: Orbaks were a species of horse-like riding beasts. Found on several worlds, their exact galactic origins were unclear, although the ocean moon Kef Bir was the homeworld of a herd of Orbaks. Their tusks were used to uproot the grasses that they ate, and their sturdy hooves were well-adapted for uncertain terrain.

Finn and Jannah rode orbaks atop of First Order Allegiant General Enric Pryde's Resurgent-class Star Destroyer, The Steadfast in a "ground assault" during The Battle of Exegol.
