Description: The Vermillion was a ship used by the Crimson Dawn criminal syndicate that served as its Fortress-Flagship.[1] After the organization stole the carbonite-frozen Han Solo, he was brought to Crimson Dawn leader Lady Qi'ra on board the Vermillion. The ship landed on Jekara in the Mid Rim Territories, where Qi'ra planned to offer Solo to crime lord Jabba the Hutt as part of Crimson Dawn's planned re-emergence in the galaxy.
