Description: Velken Tezeri was a human male guard and arms dealer who worked for the Hutt crime lord Jabba Desilijic Tiure.

Biography

Velken Tezeri was a human male who worked as an arms dealer before deciding to stabilize his situation by becoming a guard for the Hutt crime lord Jabba Desilijic Tiure at his palace on the desert planet Tatooine. In 4 ABY, he was one of five guards chosen to ride on board a Bantha-II cargo skiff carrying the prisoners Luke Skywalker, Han Solo, and Chewbacca to the Great Pit of Carkoon, where Jabba planned to execute the trio by feeding them to a sarlacc.

However, during the execution attempt, thanks to R2-D2, Skywalker managed to break free and attacked the guards on his skiff. Tezeri tried to help his comrades to defeat Skywalker, so he took out his gun from his pocket, but Skywalker passed his lightsaber very close to him, causing Tezeri to slip and fall through a skiff's rail. With such bad luck, Tezeri fell to the sand and rolled until falling into the mouth of the Sarlacc, to slowly be digested over thousands of years.
