Special Abilities:

Pressure Sensitive: Skakoans are from a world with a high pressure, off world among other species they require pressure suits, if the suit should be ruptured they take 2D damage each round as surface blood vessels rupture.

Story Factors:

Rare: Although a populous species on their home world, Skakoans fear the danger of having their pressure suits ruptured, and unless necessary they are rarely seen away from their homeworld.

Lack of Empathy: Cut off from other species by their pressure suits, Skakoans have difficulty feeling empathy for other species, and well commit actions many other species would see as inhumane.

Description: Jul Tambor was a Skakoan male nationalist and pirate who was the grandson of Techno Union Foreman Wat Tambor and the son of Wat Tambor II. Between 3 ABY and 4 ABY, Tambor led an uprising to reclaim the planet Skako Minor from a regime loyal to the Galactic Empire. According to the Empire, Tambor enlisted pirates to blockade the planet and to stockpile technology of all kinds. Tambor himself, however, stated the pirates did not work for him. Darth Vader and the former handmaiden Sabé were sent to stop Tambor. His ultimate fate was held in the hands of Sabé.
