Description: Empire. Reggi accompanied Nadura, a New Republic ambassador, to the planet Corvus in the hope of seeing the planet join the Senate. Nadura met with Magistrate Morgan

Elsbeth, who had forced the people of Calodan to labor in factories. Nadura demanded that Elsbeth stand down and turn herself in to stand trial for her crimes. Elsbeth refused to step down, however, and ordered her guards to kill the ambassador. After two of their fellow guards were gunned down, Reggi ordered everyone else back to the ship before being killed by Magistrate Elsbeth with her beskar spear.
