Description: Nisus Osar was a member of the Ministry of Enlightenment. In 4 BBY, along with fellow Ministry of Enlightenment official, Dee Shambo, Osar attended a clandestine meeting with Imperial officials at the Maltheen Divide. There, when introduced to the group by Director Orson Krennic, Osar and Shambo boasted that they had controlled the public image of the planet

Ghorman. The public perceived the Ghor as troublesome, arrogant, and selfish after an Imperial naval inspector was killed on the planet, all of which Osar and Shambo took credit for.
