Special Abilities

Fangs and Claws: Targon have razor sharp claws and teeth, favouring biting over clawing. Each of these allow the cat to do Str+1D damage in combat.

Tamable: Although lethal predators, when fed these animals can be fairly easily trained and will not hunt and attack unless they become hungry or feel in danger.

Sense of Smell: Targon taste the air with their split tongue, and are able to track by scent, gaining +1D to all rolls involving smell.

Move: 18
Size: 2.3 meters
Orneriness: 2D

Description: Voru was a yellow female targon owned by Lina Soh, Supreme Chancellor of the Galactic Republic during the High Republic Era. Voru accompanied Soh everywhere she went alongside her twin, Matari. Like her brother, Voru was named after one of the ancient gods of Coruscant.
